SOL Sound of Life Media LLC & Coin Privacy Policy

Last Updated: September 25, 2025

This Privacy Policy explains how SOL Sound of Life Media LLC (“SOL,” “we,” “us”) collects, uses, shares, and protects information when you visit our websites, use SOL TV / SOL Music / SOL Culture Shop, connect a wallet, or participate in SOLC programs (including giveaways).

1) Controller & Contact

SOL Sound of Life Media LLC
2601 Blanding Ave, Ste C #248, Alameda, CA 94501, USA
Email: solstaff@soundoflife.media

2) Information We Collect

- **You provide:** name, email, shipping information (e.g., AMOE entries), user content (text, images, audio/video you upload), survey responses, and support messages.
- **Web & app analytics:** IP address, device/OS/browser, pages viewed, referrer/UTM, session and event metrics, cookie identifiers, and crash/diagnostic data.
- **Wallet & on-chain events:** public wallet addresses, transaction hashes, token/NFT balances, and contract event logs (used to deliver utility features, rewards, and eligibility checks). Our automation may process on-chain events via **Alchemy** → **n8n** → **thirdweb relayer** to enable gasless NFT rewards.
- **Platform & SDK partners (apps/web):** analytics/attribution tools (e.g., Firebase/Google Analytics, Flurry, Countly, AppsFlyer) and social pixels (e.g., Meta/Facebook) to understand usage/performance and, where permitted by law, to operate marketing.

3) How We Use Information

- Provide, personalize, and improve SOL TV / SOL Music / SOL Culture Shop and **SOLC** utilities (token gating, discounts, allowlists, rewards).
- Operate giveaways and promotions (eligibility verification, winner contact/fulfillment).
- Detect, prevent, and respond to fraud/abuse; ensure security and integrity.
- Comply with legal obligations (e.g., tax/records, sanctions screening if required).
- Communicate product updates and transactional notices; send marketing with consent or as otherwise permitted, with easy opt-out.

4) Sharing

- **Service providers/Processors:** cloud hosting, app platforms, analytics, customer support, fulfillment/shipping, email/SMS, anti-fraud, and KYC vendors (if required for high-value rewards).
 - **Legal/compliance:** to courts, regulators, or law enforcement as required.
 - **Business transfers:** in connection with a merger, acquisition, or sale of assets.
- We **do not sell** personal data in the traditional sense. In some U.S. states, certain disclosures for advertising/analytics may be deemed “sale,” “sharing,” or “targeted advertising”; you can opt out (see “Your Rights”).

5) Cookies & Similar Technologies

We use strictly necessary cookies and (with consent where required) analytics/advertising cookies, SDKs, and pixels (e.g., Google Analytics and Meta/Facebook). Manage preferences via our banner (where available), device/browser settings, and vendor tools (e.g., Google’s opt-out add-on; Facebook ad settings).

6) Data Retention

We retain personal data only as long as necessary for the purposes above, to comply with law, resolve disputes, and maintain security. Some app-platform data may be retained per that provider's standard schedules.

7) Security

We implement administrative, technical, and physical safeguards appropriate to the data.

On-chain activity is public by design; regularly review/revoke wallet approvals (e.g., BaseScan Token Approval Checker).

8) International Transfers

We may transfer, store, or process data in countries other than yours, including the **United States** and EEA locations used by our vendors. Where required, we use appropriate safeguards (e.g., Standard Contractual Clauses).

9) Your Rights

- **California (CCPA/CPRA):** right to know/access, correct, delete, and portability; right to limit use of sensitive data; and the right to opt out of "sale," "sharing," or "targeted advertising."
- **EEA/UK (GDPR):** right to access/correct/delete; portability; object/restrict; and to lodge a complaint with your DPA/ICO; if consent is the legal basis, you may withdraw consent at any time.
- **How to exercise:** email solstaff@soundoflife.media with your request and residency; we will verify and respond per applicable law. We honor legally recognized browser signals (e.g., **Global Privacy Control**) where required.

10) Children

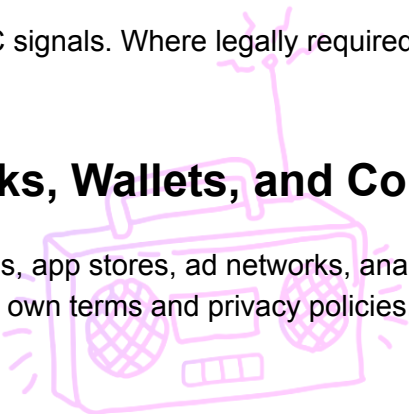

Our services are not directed to children under 13 (or under 16 in the EEA/UK). Do not submit personal data for children.

11) Do-Not-Track / Global Privacy Control

Some browsers offer DNT/GPC signals. Where legally required, we treat recognized signals as valid opt-out requests.

12) Third-Party Links, Wallets, and Contracts

Third-party sites, wallets/bridges, app stores, ad networks, analytics SDKs, and smart contracts are governed by their own terms and privacy policies. Use caution and review their policies.

13) Appeals (certain U.S. states)

If we deny a privacy request and your state law grants an appeal right, you may appeal by replying to our decision or emailing solstaff@soundoflife.media with “Privacy Appeal” in the subject.

14) Changes to This Policy

We may update this Privacy Policy from time to time; material changes will be posted with a new “Last Updated” date and, where required, additional notice.

15) Disclaimer

This document is **informational only**. SOLC is a **utility token** used to access the SOL ecosystem. It

does **not represent equity, debt, revenue rights, or investment contracts**. All forward-looking statements are subject to risks, uncertainties, and changes in strategy. Participation must comply with local laws and regulations. SOL Sound of Life Media LLC reserves the right to amend tokenomics or roadmap without prior notice.
